“ Jean was my travelling partner to Pennsylvania Rural Leadership Program (RULE) for two years along with Rich Sharkey. We had many adventures during that two year period and got to know each other well. She was a wonderful, thoughtful person and the only person I have ever known to have a pet "cow". RULE taught us we should work toward making a difference in our community and with the people we meet. Jean made a difference.

“ Jean will be truly missed by those of us who shared our faith of the Lord together at Butler Church of The Nazarene. Jean was a special lady, devoted to her faith and willing to share her faith. I will miss Jean's smile, laugh, and stories and praying together at the altar. God Bless Jean's family and strengthen them during this time.

“ Jean was a wonderful person with a beautiful personality. She was an active volunteer with the Penn State Master Gardeners for the past 15 years, and it was always a joy working with her. We will cherish the beautiful memories of Jean, and pray for comfort for her family and friends.
