“ Our deepest sympathy to the Lutz family for the loss of your dear son, Aiden. We have known Aiden all his life, and he was a member of my Sunday School class for the past few years. Aiden was sweet and kind and also blessed with a great sense of humor. Our class will miss Aiden very much until we all meet again one day.

“ *I pray that Jesus will guide each of Aiden's loved ones to the people and tools in dealing with your loss. Seek the memories of good times and avoid the entanglement of dwelling in the present. I don't feel that any person can know how your loss is understandable to them. But many can be a guide to the memories you should keep dear to your hearts.*
