“ So sorry to hear that Aleta passed away. She could make a person laugh even on their worst day. Aleta was a good friend and always remembered for her love of bugs especially terrantulas, as she occasionally would have hers at work sitting on her shoulder. RIP Aleta.
Also Rick my prayers go out to you during this difficult time.

“ I will always remember her humor. I had worked with her a long time ago- but that is what I remember- she could make anyone laugh.
