“ On behalf of Lernerville Speedway, we offer our sincerest sympathy to the family & friends of our dear friend Bud. He had a dominating voice for the radio listening audience. It was indeed our pleasure to have Bud here each and every week talking to drivers, team owners and Fans from his "BOOTH" he created in the PIT area. We appreciate all he did for the dirt track racing community, especially for Lernerville Speedway. He has been missed by many since his retirement here at the track. Gods Blessings to all. Rest in Peace our friend.
