This photo is from mid 80's at TRACO and resurfaced a few years ago. I enjoyed my time working with Bob. If I had to pick memory of Bob, it would have to be his love for golf. I am sadden to hear about his passing and my condolence go out to his family

“ I was very saddened to read of his passing. He was my boss at TRACO for a year or so..then a good friend for years. He was in the reserves with my Dad(the late David Kirker)...and they got to talk to each other and catch up a few times. I was always greeted with a smile at TRACO...I remember seeing him and his wife often at Butler stores..and was always glad when I did...he will be missed..to his family...you have my very deepest sympathy and prayers of healing for you....God Bless...Jody Kirker-Spisak.
