“ Anthony was a student in my English class at Butler Intermediate High school several years ago. He was always smiling, cracking jokes, and keeping the class on their toes. Even though English wasn't his favorite, I was always so thankful that he worked hard and stayed positive! I am so sorry to hear of his passing. His family and friends will be in my prayers.

This is Carly Dorenkamp, age 10 now and I am so very thankful that you gave my father this knowledge. I'm sure he was a wonderful man, but me not knowing him very well since he passed away at that age of 3 isn't very helpful to knowing him well.
