*This is in honor of a wonderful young man his name is Anthony. We are family. Tony is gone too soon. He has a wonderful family that I am proud of. He will always be with us. So please let him rest in peace. Tony's journey on earth is done. God has taken him home. Life's a journey not a destination. He has only just begun. No one walked a mile in his shoes. So be kind.*

*WTH ! Mr. Mitsler , I don't know who you are ; but I've known Tony since he was about 10 yrs. old . The one thing I always knew , is how much he loved his family , and how much they loved him . I also knew he was kind to everyone he knew . Do you think he would want you to come on here talking crap about his family ? I can tell you he would not . He was a good and kind man , and will be missed by all who knew him . It is still shocking to everybody of his passing . If you can't say anything nice , then say nothing at all . His family deserves respect at this time . R.I.P. Tony , fly high ; you will see them all again someday .*
