“ Dear Rauch Family,
I read about the loss of your loved one “ Anton Jr. ”. I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It had comforting words from the Bible. Others who have lost young children share their feelings and grief.

“ Tara and family,
It will be the little things that you will remember; the quiet moments, the smiles and the laughter. Those memories will help push the pain away and bring the smiles back again.
You are in my thoughts and prayers now and always.
