“ *To All,  
My sincere regrets for your loss. Living here in the "Wilds" I don't get to visit the hometown area often, and sadly am reminded of the good memories of days gone by with notices like this. Many fun times and laughs with your Dad at the club and other functions. My thoughts are with you all in these difficult times. Cherish the memories and celebrate his peace.##imported-begin##Randy Nebel##imported-end##*

“ Very sorry to read of your loss. Now I know who the "BUZZ" is that is carved on my father's stone barn wall--recognized some other names as well. My husband & sons farm the place, and straightened the barn a few years ago. Unfortunately, Father never worked on the house much for Mother, so it's in pretty sad shape--could be saved with enough money & time, but... In honor of the Schiebels of Schiebel Road, I will try to get the township (Summit or Clearfield?) to replace their new road sign--SHIEBEL, it says now! May God's love and peace be yours during this difficult time.##imported-begin##Sharon Klein Ambrose##imported-end##
