“ Aunt Audrey always projected a youthful look on life. She took an interest in me, letting me play with the carefully placed stones under her Christmas tree when I was 4 years old, sponsoring me for entry into the Rainbow Girls, helping me get substitute teaching positions at the Butler Junior High, attending my wedding to Rick, and many, many more instances. I will miss her and remember her with joy.##imported-begin##Debbie Geibel##imported-end##

“ My thoughts and prayers are with all of Aunt Audrey's friends and family. Although I didn't live close and get to visit with her as much, I always enjoyed the times I was able to get to visit with her. I will also cherish the memory of my Dad's face light up when he would see his sister.##imported-begin##Patty Cody nee Jones##imported-end##
