“ Wow Gussie,  
*I am truly going to miss you,I was fine until i seen your picture and the tears are flowing down my face.*  
*I remember a few things that you taught me..one was how to pronounce your last name.*  
*you would say to me .you know glue. well you say Dlu.then you would point at your toe..then make a ski slope out of your hands then you tell me to put the words together Dlutowski..we would laugh*  
*But the best one I will never forget is my work sent me in to replace things ..well Ed was suppose to keep you out at Bingo..but you came in and said ..who are you? and what are you doing in my house.get out before i stick this umbrella up your behind and make you fly like mary poppins..I was never so afraid of someone until you..Butl figured you wasnt get the best of me..i wasnt coming back.But I am glad i did come back..you were the sweetest ,kindest.and loving person*  
*your family was wonderful with me.they also kind and caring*

“ Gussie lived a long life, full of love and great experiences. She enjoyed her family, her church, shopping, bingo, casinos and attending red hat outings. She loved to dress up in her purple outfit and red hat and shoes and go out with the red hatters. She was very independent and was able to live on her own for many years after she lost her dear husband, Oscar. Then LIFE Butler County stepped in and helped her remain independent for a few years. Her great granddaughter Jessica took her into her home and helped her for awhile until it became necessary for her to go to St John Care Home in Mars. She was very content there with the wonderful care they provided. We will miss her feisty presence but we know she is at peace with her Jesus and her husband Oscar.
