“ *My deepest sympathies to all the family from my family. Robin, I didn't know your son but I knew his mother and he had to be a great young man. As hard as it is at this time, I know one thing that I find comforting during the hard times. It is the fact that I pray daily for the Lord to give me strength and guidance. Your beautiful son is with his Lord and Savior and will be at peace and no pain. You will be reunited again someday.*

*Love to all

“ A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. Knowing that we have been able to be a part of his life , we realize how blessed we have been.
