“ She had more grandchildren and great grandchildren as well as a granddaughter that passed before her. Her family is just super petty. Good to know her daughter didn't deserve to be buried and she out casted 5 people for giving her OWN DAUGHTER a funeral and proper burial but she deserves a burial? Doesn't change the fact that she's sweaty AF rn. 🔥👤♀️ Funeral home people be careful. They don't pay their bills I'd collect up front.
