“ So many memories of this amazing woman. She opened her home & heart up to me when I needed it most. She was the embodiment of what a mother should be. Warm caring and lighthearted. A couple memories that stand out....Christmas wrapping in her living room, and rough housing with her grandson. We were horrified when we damaged the drywall but Barb just laughed. I will miss that twinkle in her eyes.

My deepest sympathy to all those who were blessed to know this wonderful woman.

Love you Missy❤️
