“ I had the pleasure of meeting Betty via phone inquiring about a home she had listed for sale. It was at a strenuous time for me, but Betty had no idea. She acted as though I was the most important thing she had to do at that moment. A year or so later later I met her personally at Caldwell Banker and shared with her how wonderful she made me feel that day we spoke on the phone. As we became professional friends I realized very quickly that the Betty I met on the phone is the Betty you met 24/7--she was a wonderful lady with a beautiful soul and I was blessed to have her cross my path. My condolences for your loss. God's blessings to you all. P. S. To Katie: Betty talked about you all of the time--you were the light in her life.

“ My heart goes out to the family of Betty. She will be greatly missed by so many people. I have known Betty since 2001 when I lived in Ohio and wanted to relocate to Butler. She called and we got started on finding me a home. She later sold that home for me and found the home I currently live in. She was such a great friend through it all. I will miss not seeing her car outside Coldwell Bankers every time I pass by on my way home. God Bless you in your time of need. Judy##imported-begin##Judy Stratthaus##imported-end##
