“ Donna, Susie and Family,
Meals on Wheels has brought many special
people into my life and your mom was one of
them. She was a joy to be around and I have
wonderful memories of her as one of our
Friday morning helpers. Keeping you all in my prayers.

“ Many wonderful memories of Betty and Boyd Fulk. They were the
best neighbors and we sure miss them. They were so special to our
son Kyle who is an animal lover just like Boyd & Betty were. Boyd
taught Kyle everything about trapping. One memory we will never
forget is the time Kyle set a trap by there front porch and sure
enough he caught a skunk.. Oh boy.. Boyd and Betty's house
smelled so bad we felt so awful but of course they got a laugh out
of it. Betty was always sending over flowers and baked goods. A lot
of many memories we will have forever in our heart. We were truly
blessed for almost 25 years to know an amazing couple:)

“ Dear Donna, Susan (Jerry) & families; May we express our deepest sympathy in the death of Betty. She was a wonderful woman who will be missed by all of us, who had the fortune to know her. We still remember seeing her at Meals On Wheels with Donna & Roy, giving back to the Butler Community & helping so many in need. May God bless all of you, during such sad times. Your in our hearts & in our prayers.
