Tribute Wall

“ *It is so sad to lose a dear loved one in death. One of the most painful experiences in a person's life. Our great God knows that, which is why he showed his deep love for us by providing his son to die so that we may gain the 'gift of everlasting life.'* (Romans 6:23)

May you find comfort in knowing that even though you have lost your dear loved one and they will remain in the grave until Jesus calls them out, you can look forward to the resurrection when you like so many others are reunited with our dear loved ones.
