“ Dear Frank and Severino Family,

*We just wanted to let you know how much we love Betty. She would ride with us to church on Sabbath and I always enjoyed her stories about growing up on the farm. I think the sweetest story was how she met you Frank as a little girl and the relationship grew into marriage and a life together. She was always encouraging and ever so helpful - bringing her homemade cookies to services to share.*

*She will be missed for now, but we know that we will see her again in God's coming Kingdom.*

*Our Sympathy and Prayers are for you and your family. Praying for the comfort that God gives us.*

*Love,*
