“ *Ms. Bev-words can't begin to express how you filled our lives for 15 years.*

Our time together was bigger than life- so much fun and memories. We have so many memories to hold dear: UCP bowling and Zelig education, Friendship Circle, Grace church adult Sunday school class, Camp Kon-O-Kwee, vacations, and always the outings with Marlin, Amy, Traci and your great friend Karen. All your friends and Staff from Autumn Grove miss you - we all love you Ms. Bev!
