“ When it was your time to bowl, if you were not ready, she would let you know. LOL. I will never forget the day she was eating my chips, she walked away, and the chips were gone when she came back.....lol..... where the chips go??!!! We laughed!!! She always gave me the hairy eyeball when I brought work on league night..... she always made me laugh. Always enjoyed her on my bowling team..... league or tournaments.....loved and sadly missed
