“ I met Brenda about a year ago playing Bunco. She was always a beautiful light. I have one special memory of her. She knew I was having a bad time with something in my life and she very quietly and gently approached me and said, "Take care, Marie." It was the way that she said it that was so comforting to me. May she find peace and comfort. I'm glad that I had the chance to get to know her a little. God Bless her family left behind. So sorry for your loss.##imported-begin##Marie Brozenic##imported-end##

“ I met Brenda through playing softball for her son, Jason. She was always a trooper sitting in rain and heat to watch the Rollers play softball on a Sunday afternoon. When we would have picnics at Jason's house she was there with a smile on her face putting up with all of our shenanigans and laughing, always laughing. She was a kind and gentle woman and she will be missed. Jason and family know that our thoughts and prayers are with you.##imported-begin##Mary Faller##imported-end##
