“ I worked with Brent at ACMH ER for several years, he was a terrific worker, a great wise cracker, loved his sense of humor. We had some great laughs and lots of fun. Very bright and friendly, he just drew you in with his smile and fun-loving way. His passing is an awful loss, though his peace may bring you comfort. He will be a great guardian angel to his children and may guide them through lifes many trials. He loves those kids. He will be so missed by many whose lives he has touched, a true lover of gods creatures. Look up at the stars at night and find his smile twinkling down, may he rest is peace.

“ Praying for strength for Brent's family during this most difficult time. Brent played a big part in Worthington Little League in many capacities. Was a softball coach, baseball coach and a board member. The kids all loved him and he was a fantastic coach. He was always available to lend a helping hand with whatever needed done or with whoever needed extra coaching. His passing has left a saddened heart in so many from the community of Worthington. Bonnie & Dave Stewart and also on behalf of Worthington Little League we extend our deepest condolences.

“ Brent and his family became my neighbors when Austin was just a baby. We spent summers cooking out and sitting around fires just talking. His mom Shirley and I spent many hours on the front porch. He was always there if I needed him and I knew I could count on him. His kids meant the world to him. I pray you are at peace Brent.
