“ I learned of Brian's passing upon return to work at RCS last week. I worked there with Brian since 1992, and would have very nice chats with him every time he came in to pick up and drop off all of those printers he'd fix for us. Brian was quite a guy, and well versed in all things electro-mechanical. I'm really going to miss his visits (and sometimes Emma too) and those chat sessions. RIP Brian, and sincere condolences to the family.

*“ I worked for many years with Brian. He was as a good a person that anyone could know. I can't think of a time that he was in a bad mood. He was always smiling and when you asked him how he was doing he would say "oh fair". He will be greatly missed. He is now at peace with our Lord. God Bless!*

“ *I would like send my condolences. To the kuebler family. I have never met a more giving, and kind man than brian. He taught me alot and was one of the most selfless people i know. I dont believe i evet heard him complain about anything ! Not that he didnt have the right to with everything he has dealt with his whole life, but it just wasnt in his nature to complain. He took everything life threw at him ,dealt with it ,and kept on trucking. I will miss him dearly. He was definitely. A special kind of person! I love you brian. - bob baker*
