Brian was my half brother and he picked me up once from the airport on his motorcycle. We got along great and he told me he was sorry we did not really get to see each other as children. I would go look him up every time I went to visit

“ *Judy, Aunt Bonnie and Uncle Dan,*

Our whole family feels the loss from Brian's passing. As a child, I always looked forward to visiting and playing with my "best" cousin. Unfortunately, as adults we grew apart. I felt a little comfort to hear the chapel was full with those whose lives were enriched by his love, humor and respect as a "grown up". My memories of him are that of an energetic child with shining, bright red hair, his horn and, of course, of the laughter we made together. I will miss him on this earth and visit him in my prayers.##imported-begin##Brad Nemeth##imported-end##
