“ To the family of Carter,  
Your father and brother was a special person who gave freely of himself and what he knew to those who needed and wanted his help. His sense of caring and understanding was unbelievale. He wanted to give to everyone what he himself had found in receent years. He will be deeply missed by those of us who benefitted from him by knowing him and sharing with him. May you rest in peace my friend. John M. Lydon##imported-begin##John M. Lydon##imported-end##
