“ So sorry to hear of your loss, our thoughts and prayers are with you guys! We met Casey on quite a few occasions, the memory that sticks out in my mind the most is when I was at Kims and had my 17 year old daughter with me and Casey said " Hey give this girl a beer" I of course replied " Casey no she is only 17" how we laughed he thought she was older! God be with all of you at this time.##imported-begin##Mr&Mrs. Mark Goyak & Family##imported-end##

Those two were good friends in school days and your family was always so kind to Ryan & he always had nice things to say about your family. Our thoughts and prayers are with you all. We hope precious memories of Casey will bring you all some comfort at this difficult time.

“ Although I didn't know Casey personally, I do know some of the family and words can't express my feelings for your family at this time. You have my sincere condolences and know that I will be praying for the family and friends in the coming days. You must look beyond the sorrow and know that nothing happens in Gods world without reason, even though we may not understand that today. I read this at my sons funeral a few months ago, and I will give you the "shortened" version, as it has helped me get through days that I never thought I could...."God, grant me the serenity to accept the things I can not change, courage to change the things I can, and the wisdom to know the difference."....May your son rest in peace and know that his pain has ended....God be with you all.....##imported-begin##Judy (Kradel) Christy##imported-end##

“ Dear Morrow Family,
I read about the loss of your loved ones “ Casey ”. I know you will miss him very much.
I know there is little that can be said at this time that will make the pain go away. I read a brochure on Hope for our loved ones that have died. It has comforting words from the Bible. The url address is

http://www.watchtower.org/e/we/article_00.htm

I hope that this brings you and your family some comfort. If I can be of any further help please feel free to write me.

Sincerely
