“ Dear Mom,
You have brought much sadness to the whole family with your passing but yet you are in a much better place now with other family. Your pain was too much and God reached down one day to take you away from it because you did not deserve that. I know we will meet again one day and be able to enjoy a better life together once again.
Love Always,
Terri, Ron and AJ###imported-begin##Terri###imported-end##

“ My condolences to the Twentier family, I did not know Ms. Ruth personally but would like to share with you what helped me during a similar time. Its the hope of the resurrection spoken of in the bible at John 5:28,29. It brought about an inner calm, also prayer for the strength to endure this difficult time. I hope that this will help you all so.
Sincerely
Angie###imported-begin##Angie###imported-end##
