“ *Dear Pam,
You know how much and by how many Charlie was loved. Everywhere I look I see a reminder of that man. Particularly when I look back on my memories they are filled with him. I loved working on the cars with him, I think those hours will be some of my favorites. The late night talks at the bar with the good music. The football games and the WW11 movies (I know we drove you crazy with those). Then their we're all the great times we all had together laughing and dreaming.
One of the best parts of Charlie was being included in the Brucker family. Meeting Barb, Nancy and the kids. Spending time with Joe. I'll never forget my first meeting Roz and George. However, you were best part in Charlie's life. The two of you together was something special.
He will never be forgotten and loved by more people than can be imagined.
Love always,
Barb*
