“ I remember on my 20th birthday when my mother woke me at 3.00in the morning with the wonderful news that Florence had a baby on my birthday. I promptly roled over and went back to sleep. 3:00inthe morning, Florence couldn't you wait a few more hours. All thru the childhood years of my nieces and nephews I loved spending hours with Chuck and all my nieces and nephews, and all of the neighborhood kids. The game nights on New years Eves, hide and seek and so many other games. Thank you Chuck for all the great memories. Rest in God' peace Uncle Tom.

“ I came to know Chuck by working in Tanglewood with the Senior Center. I appreciated his friendship and willingness to help us out. I will miss seeing him. A genuine and friendly young man. May his family always remember the memories they have as it is those memories that will get them through the hardest of days.

“ Chuck was such a good man. He was a very genuine no-nonsense person who kept thing 100% all the time. My condolences go to his family and children. Not only was he a good man, but a role model for what a father is supposed to be always putting his children's needs ahead of his own. Truly a kind soul. The world won't be the same without you brother. Rest easy friend....

“ So sorry to hear of Chuck's passing. I met Chuck as a young teen while seeing him play in a rock band. Little did I know some four years later our paths would cross once again, but only this time I would be jamming with him making music in a band. I am very saddened by his passing, but I am also very happy to have known such a nice person as Chuck Hilliard.

You will be missed my friend.

Sincerely,

Jason Hamder

“ To say i'm sorry over this doesn't begin to express my grief over the loss of Chuck. He was my friend through thick & thin & I always admired the way he carried himself & how he wore his humanity & humility on his sleeve. I'll never know another soul like him... he was truly 1 of a kind... he was my brother & I, like so many others are going to miss him dearly. Love you, bro!!!
