Tribute Wall

“ To read this so many years after losing Stuart is really tough. We once called each other our "cosmic mates." We fool ourselves into believing life just goes on for everyone. My brother and I spent more than 15 years "growing up" with Stuart and Sheila in S.R and G.C. We spent years riding in the Stu-mobile with Stuart, Liz and gang. I am deeply affected to learn of this tragic, senseless loss of someone from my childhood, adolescence and young adulthood who I loved so strongly. I can only hope that time has helped in a small healing way to ease Mac and Sheila's pain. My memories of Stuart now make him more alive and present in my heart than ever before.##imported-begin##Janet (Michel) Eklund##imported-end##

“ I am so sorry to hear of your loss. Having a son myself, I can't imagine the agony you're going through. My prayers are with you and your family. I have many memories of growing up with Stuart and Sheila and Joan in Grove City. May Stuart be at peace...and probably having a blast with his mom! Much love,

“ From the moment a child is born, every parent fears the event you are experiencing. We fear the call, the news. My heart goes out to you as you must survive these moments. My prayers are with you. Although our lives only crossed briefly during your tenure in Slippery Rock, I cannot help but be saddened by your grief. Kathy Wallace##imported-begin##Katherine wallace##imported-end##
