“ David was my cousin. He was 6 yr's old & so I looked up to him my entire life. He played the piano beautifully. David & Becca visited my Mom often when she was alone after Daddy passed. David was a male role for me & I have always chosen men as nice & kind as David! 💕💕💕 I miss him.

Btw: I believe that my aunt (David's Mom) spelled her name Elenor & I know her maiden name is spelled McMilln.
