“ Cynthia has been a good friend to our church and community in Valier Methodist Charge for the past 5 years . She was funny ,well informed and always ready to invest in here friends and all who took the time to listen. She shared love and compassion with her friends and she had sooo many wonderful stories of her life experiences. She and her companion John Miller were in attendance at all of our church events . We will all miss her .We are sad at her passing. She was a blessing to many people. The photo is very appropriate-- especially the hat . She loved to dress and always wore hats. Great pix. Sent with love from Libby Hoover -Friend and member of the Frostburg UMC.
