“ *Pam and family I am so very, very sorry for your lose, I won't be able to make it to the service so please accept my heartfelt sympathies.*

*Memories! There are so many, from Cindy being the bothersome little sister that hung around all the time, to Cindy being very much a part of my youth growing up and having the most fun, of course getting into trouble also! I remember those days and it warms my heart and soul. She had a beautiful smile and made friends easily, she always had a nice word to say and her laugh was the best. I am so saddened she didn't have more time to share with those new babies however I believe she will be there with you all and at peace. Love to you all. Cheryl Ewing*
