“ I am glad that i knew Dalton and spent time with him. I still have some of his reciepies that he shared with me. He was a great soup cook!! He spent a lot of years serving in the U S Military and was a dedicated Veteran and soldier ! We didn't get to have a few more beers together but we will someday . I knew him from Pullman and a little at the VA. He was always a great friend and a good guy. My condolences to Betty and all of his family .

“ We didn't spend a lot of time together. Sadly not much at all. But when we did, I loved sharing a cold one and listening to his stories of all his world travels. He will be greatly missed by so many. RIP, Cuz..
