“ Dear Family:

I was sorry to hear of the passing of Dan. I only knew of him through the dialysis clinic, I sat across from him many days. I thought he seemed to be such a kind hearted, gentle man. Please believe that he is much better off not having the dialysis to contend with all the time. I know you will miss him greatly. I too will miss not seeing his smiling face when he would come in for his treatments. God Bless.##imported-begin##Tomi Peters##imported-end##
