“ Jake, Shad & Heath; I am soo sorry to hear that unz have lost ur Mom. Darlene was a joyful & kind soul in spite of her hardships. She didn't just walk Everywhere, she took Jesus with her, sharing Him with smiles, hugs & kind words to all she came upon. She did Everything she could for u boys, demonstrating sacrificial love. I know she's with Jesus now in lovely Paradise & reunited with family that have gone ahead of her. I believe unz took the best care of her u possibly could showing ur love for her & appreciating all her sacrifices & cub scout meetings & badges & more. U can never Really appreciate all a parent has done for u, until u become one urself. I'm sure she will be greatly missed by All ur family, neighbors & many others. For those who r too young to remember her, keep her in their lives by talking about her often. When ur memories come to mind, the hole in ur heart will hurt for a while. Keep remembering & talking about her with love & pride & that hole will get smaller. I won't lie & tell u it will completely go away, but it will shrink & ur loving, fun memories will become greater than the hole. I'm sure she would want me to remind u to keep Jesus in ur life, to help u fill the hole in ur heart & so u can be reunited with her someday. My sadness for the loss of my freind & sympathy to u boys, ur children & grandchildren.
