“ *Dar was a great neighbor to John and I for a number of years. She was a nice lady and hosted wonderful Steeler's parties. She taught my kids to swim in her pool. Our lives were better for having known her. She will be missed. Her family has our deepest sympathy. John & Helen Lingenfelter*

Like everyone else in this wonderful family, Dave and Dar always welcomed this neighborhood kid into their home and pool with open arms. So many summer days spent playing in the pool while Dar was in her lounge chair or on her raft working on her tan. Thank you Dar. Rest easy. You will be missed.

To the entire family, you are in my thoughts.
