“ Sue, Mallory and Lindsay,  
Alanna, myself and my family are so, so sorry for your loss. I  
remember Perrysville school, Girl Scouts with Sandy and Joyce,  
soccer games. I recently connected with Dave about two years ago  
on Facebook. We shared jokes and music related things. He  
opened my eyes to classic cars and great pictures of animals: not to  
mention classic music videos. What a great giving man. I will miss his  
posts; but I will pray for your comfort in this difficult time. I will always  
remember Dave, for his wit, his charismatic personality, and his  
smile; a class act.

“ *I remember meals on the deck in the summer and the great laugh he had. I'll think of Dave every time I look at my engagement ring! One of my favorite memories is the time and energy he put into throwing Sue a great 40th birthday party :-).*
