“ Me and my mom met DeAnn and Shirley at the laundromat (of all places!) many years ago. We all started talking and became friends. DeAnn and I continued to get together frequently for shopping and other errands. Every time we were out and about, DeAnn would always run into someone she knew. Many, many people knew her and loved her. I was so shocked to hear of her passing and my heart just aches for her family. I will miss DeAnn very much and will hold her memory close to my heart. I am wishing the family strength and peace!
