“ i am so sorry to hear about Deb. i am so glad that her and i were good friend all thugh school. she made me laugh and taught me a few things along the way. i am sad that we did not keep in touch better. but when i did get to see her i always enjoyed the time we had. i am sure she is making them laugh in heaven and watching over all of us.

my thought and prayers are with all of you in your time of need.

remember the laughter

(and her laugh) she would want that for us.
