*Mom, I miss you so much I wish more of our loved ones could have made it to see you one last time. Everyday I think about you. Now that your gone the only people I have left is my Aunt Kim and Pap. Its not the same without you. I didn't even get invited to spend Christmas with the family after you passed. I just wish I could have one more Christmas with you. You loved me so much and just wanted to see me I wish I would've been a better daughter. I miss you everyday. I just wanna joke with you again and give you another hug and listen to music with you. I love you so much.*
