“ Where to begin? I remember babysitting Donny and his sisters, reading to them, playing with them and watching them grow into wonderful adults. Donny's path and mine crossed later in life when he and Denny worked together at Magnetics and later still as we celebrated the lives of our many aunts and uncles and, most recently, the passing of his beloved mother, my Aunt Judie. Becky, Tommy & Sarah, Terri Lynn & Colby -- he is rejoined with those members of our families who are no longer with us, and I know he is making them all laugh with his wild and crazy antics and fabulous storytelling. He will be missed by his high school football buddies, his running companions and his immediate and family. God bless him and you as you remember his brilliant smile and love of life.###imported-begin##Denny & Colleen Kelly Laich (cousin)###imported-end##

“ It is with deep sorrow to hear about Donnie's passing. Donnie was a great guy who would do anything for a friend. When I needed a change he was there to help me and my family. When I needed a laugh or someone to talk to Donnie always found something to say and then tell me to forget about what was bothering me. It is sad that people don't stay in touch, Donnie and I hadn't spoken in about a year, but when we did it was him telling me how proud he was of the things I had accomplished. I will miss him but know he will be a better place.###imported-begin##Jim Glatch###imported-end##

“ To Donny's family and those dear to him,

My heartfelt condolences on the loss of Donny. He and I worked
together all those years ago at Spang-East Butler. While time and
distance had separated us, I remember his warm smile, generous
spirit, and the sparkle of a bright, mischevious light in his eyes.

May the warm and wonderful memories of Donny comfort you in the
difficult days ahead.

Rest in Peace, Donny!###imported-begin##Kim Hester###imported-

“ Always a beautiful man, just as I remember. Teri, Colby, Rebecca and family members, it's all about family. Donny has touched all of you in a special way and your lives are richer because of him. It was family that wrapped him in warmth and love and welcomed him home to be with our father. Celebrate his life and his death, because he has made it and he is not alone. When it is time, it will be Donny waiting with family to welcome home all the people he has ever cared about. Love you Maria##imported-begin##Maria Heirich (cousin)##imported-end##
