“ Dear Florence,  
I am not sure if you remember me, but I am the girl that was in the waiting room of the hospital. My heart broke for you that morning. God has placed you on my heart everyday. I am so sorry for your loss. There is really nothing words can say...only God can give you peace in knowing Don is at peace. And God will help ease your broken heart...until you meet again.  
I am not sure if you will ever get this note. But I hope so.##imported-begin##Jessica and Sean Hughes##imported-end##
