“ Dear Barb, Donna, Marsha, and Janice,
I am so sorry to hear that Uncle Don has died. As the 3 brothers have gotten older they all seem to look more alike and I see so much of Grammy in them. I was also taken by the fact that he and your Mom both died in the same month only a few days apart. I'm sure the years without Twila were especially hard for him and now they can be together. Please know you are all in my prayers as I know how hard these times can be.

Love from Omaha,
