“ Dear Barb and Family:

We are so sorry to hear that Don has passed away. Although we have not been in touch since we have moved to New York, we have often talked about our families when we were neighbors. We remember days gone by, watching each others families growing up and the many happy times we spent with each other. Our life was made richer by knowing Don, with his slow to come but genuine smile. You have our condolences, and our heartfelt sorrow.

Love,

Ed and Natalie##imported-begin##Ed and Natalie Smith##imported-end##
