“ Dear Mom,
When asked the question once, "Who was your childhood hero?" , The one and only answer that came to my mind was,
" My Mother ". You will always be that to me Mom, only now you will be my, "Hero Angel".
You will be able to look down from Heaven and watch over me daily. I Love You and miss you terribly. All My Love,

Your mother and I were in high school together and I remember some good times, one when we decided to bleach our hair and your mother's came out orange. We did laugh.
