“ I have only known Donna for a few years since I began to attend GFWC Pennsylvania conventions and conferences. Everyone witnessed her dedication to our organization. I can not express how heartbroken we are for your family's loss. I will not be able to travel to the services but know that I join many, many other GFWC women in praying for all of you during this difficult time.

“ Donna was a wonderful person. She made me feel very welcome when I came into Intermediate League. She would come and play organ at our church several times when our organist was away. She was a talented musician and a caring individual. We will miss her.
