“ Dear Kevin and Kristin,
I just learned today of your dear mother Dorothy's passing. How I loved her. She trusted me to babysit for you both when you were just a baby, Kristin. And she allowed me to push you in your stroller up and down Burton Avenue for what must have been several hours on many days. She was a kind lady, a good homemaker, and one of my fond young memories. When I was coming to babysit, she would fill the cookie jar with freshly baked cookies and tell me to help myself. Some things a person never forgets.
Please accept my deepest sympathy for the loss of your dear mother.
Love,
Marty Bell Butler

“ Dear Kevin, Kris and Family,

I am so sorry to hear of your mother's passing. Your mother and father were both very fine people-always friendly and polite to me-even during those many times I didn't necessarily deserve such kind treatment.

You have my deepest sympathy.
