Tribute Wall

“ I am so sorry for your loss. It is never easy losing someone you love, especially a parent. Aunt Dot will live on in all of our hearts and memories. She will be sadly missed even though we weren't close the last several years. I have many fond memories of her from when I was young. It is such a shame that as we grow and go on with our lives, we seem to loose touch with the people who were such a part of our young lives. It was so nice seeing her several times over the last two years. Unfortunately, is was at funerals. Please try to keep in touch with us. You are still family. My deepest sympathy.
