“ *Dottie was a stepmother to Mary Elizabeth and myself. She was a good, good friend and more like a big sister. She always had a ready smile and a big heart. I will always have good memories of her. To her immediate family, my thoughts and prayers are with you all. I know that our loving God has welcomed her home and she is now with her loved ones who have gone home before her. Love you, Dottie, and thank you for all you were to me in my life.*###imported-begin###Emily Munday Williams###imported-end##

“ Gary & Family:

Please accept my condolences on your loss. Gary, I remember coming to your house on Brady's Ridge after we had moved to Power. Your mother was always a very welcoming hostess. My mother always spoke very highly of your mother's class, great personality, non-judgmental characteristic and as a great housekeeper. I believe my mother strived to keep our house as clean as your mother did yours. I know I was very young, but still remember you and your mother allowing me to play with that little car toy that had the steering wheel, windshield wipers, horn, turn signals, etc... Both of my parents are now both deceased, dad in 2004 and mom in 2005. They passed seven months apart. I hope you can find comfort in knowing that your mother is in a much better, peaceful, and beautiful place. I hope all is well with you and yours in this very sad time.

*Take care & God Bless,
